

HUSKY SNOW MACHINE RENTAL AGREEMENT

I acknowledge that I have carefully examined the Husky Snow Machine and accessories and find it (them) suitable for use; I will maintain both the Husky Snow Machine and equipment in a safe and dependable condition while in my possession. I assume full responsibility for the Husky Snow Machine and equipment. In the event of malfunction, breakdown, or if any defect is discovered after acceptance of the rental machine, I will immediately report the issue to the provider. Continued use of the rental Husky Snow Machine shall be entirely at my own risk.

I understand there is a deposit needed to rent the Husky Snow Machine. I acknowledge and approve that my credit card will be pre-authorized for a \$2000.00 damage deposit. A pre-authorization is a temporary hold on a credit card that will be released 48 hours after the machine is returned and inspected by the provider. This means the credit card funds will be temporarily blocked without taking any funds from the cardholder’s account. Any expenses incurred to retrieve the Husky Snow Machine, and/or to repair any damages caused to the machine by the renter or anyone else during the rental period will be charged to the renter’s credit card. Should damages exceed the damage deposit, the renter agrees to make payment in full immediately upon presentation of an itemized repair bill, including lost rental time by Husky Motors Canada Inc.

A representative of Husky Motors Canada Inc. and I will inspect the Husky Snow Machine prior to departure. An inspection sheet will be logged, and digital photos will be taken before each rental.
